

# 2030 Land Resource Management Plan

PLANNING FOR SAFE, HEALTHY AND LIVABLE COMMUNITIES

**The Kane County Regional Planning Commission  
Kane County Development Department**

**Comments and inquiries may be directed to:**

Kane County Development Department  
719 Batavia Ave., Geneva, Illinois 60134  
630-232-3480

## **PLANNING FRAMEWORK**

### **Planning in Kane County**

- Figure 1 - Regional Planning Commission Responsibilities
- Figure 2 - Activities and Reports Initiated by the Development Department
- Figure 3 - 2030 Land Resource Management Plan Inputs

### **2030 Perspective**

- Figure 4 - Population Growth in Kane County
- Figure 5 - 2030 Conceptual Land Use Strategy Map
- Figure 6 - 2030 Open Space Map
- Figure 7 - 2000-2030 Population Distribution
- Figure 8 - 50-50-50 Map
- Figure 9 - Land Use Strategy Perspective Map

## **PLANNING ISSUES**

### **Agriculture**

- Figure 10 - Kane County Farms
- Figure 11 - Illinois Agricultural Facts
- Figure 12 - Estimated Value Per Acre of Selected Specialty Crops in Kane County 2003
- Figure 13 - Location Advantage - Terminal Market
- Figure 14 - Agricultural Protection
- Figure 15 - Leveraging Purchase of Development Rights
- Figure 16 - Kane County Farmland Protection Program
- Figure 17 - Kane County Protected Farms Map

### **Housing**

- Figure 18 - Successful Infill Development Offers Rewards to Communities
- Figure 19 - Housing Endorsement Criteria - General Principles
- Figure 20 - Location Efficient Mortgage
- Figure 21 - Residential Accessory Units
- Figure 22 - Live / Work Units
- Figure 23 - Active Adult Communities

### **Commercial Development and Design**

- Figure 24 - Urban Corridor Renaissance, Retrofitting Commercial Strip Centers
- Figure 25 - Evaluation of New Construction or Redevelopment Projects
- Figure 26 - Quote from Robert Rosenburn, Former Chairman and CEO of Dunkin Donuts
- Figure 27 - Design Guidelines -- Place Making Tools
- Figure 28 - Service Station Design -- An Updated Approach

### **Economic and Workforce Development**

- Figure 29 - Employer Assisted Housing
- Figure 30 - Transit Oriented Development Bolsters Local Economy
- Figure 31 - High Speed Wireless Technology
- Figure 32 - Critical Skills Shortages Initiative

### **Energy Conservation**

- Figure 33 - Green Building in Kane County
- Figure 34 - Did you know that . . .
- Figure 35 - Wind Power
- Figure 36 - School Pool Uses Collective Purchase Power to Reduce Electric Costs
- Figure 37 - Freedom CAR and Fuel Initiative

Figure 38 - Fuel Cells

Figure 39 - Planning for the Energy Future of Kane County

### **Transportation**
