## **MEDIA RELEASE**

January 14<sup>th</sup> 2022

## **New Head of Kane County Human Resources**

(Geneva, IL) The Kane County Board is pleased to introduce Jamie Loblillo as the new Executive Director of Human Resources. Loblillo rejoined the County two years ago and for the last six months has been working as the Interim HR Director.

“Jamie has proven herself as a strong leader, quickly establishing trusted relationships with staff, County Board members and vendors,” said Kane County Madam Chairwoman Corinne Pierog. “Her broad experience in the many aspects of human resources will greatly contribute to a healthy work environment. We are fortunate to have Jamie’s talents at work for us on a permanent basis.”

As Executive Director of Human Resources, Loblillo will continue her role in managing employee benefit programs, labor relations, risk management, equal opportunity, compliance and employment training. She also oversees the development, implementation and coordination of HR practices and policies for Kane County government and its over 1300 employees.

Loblillo has already taken steps to streamline the onboarding process for new employees, which will reduce the amount of paperwork between departments. She also has made organizational changes to increase efficiencies among current HR employees, and plans to expand the training elements offered by Human Resources to all County offices.

“The Human Resource Department is here to support other County Departments and their staff,” said Loblillo. “We will continue to look for innovative ways to do that more effectively. I enjoy working with staff and management to create policies and practices that work for everyone.”

Loblillo earned a Bachelor’s of Science degree from the University of Illinois in Urbana-Champaign, and a Paralegal Certification from Elgin Community College.

Her appointment was confirmed by the Kane County Board on January 14, 2022.
